Experience

Content Manager

Rusrek — Oct 2018 - Present

At this New York–based newspaper, I am responsible for a wide range of tasks related to content publishing, news management, and digital advertising across multiple websites.
My responsibilities include basic design work, creating and editing advertisements in Photoshop, preparing images for news articles, working with basic HTML, posting advertisements on third-party platforms, and supporting other editorial and promotional activities.

Customer Service Manager

Lovenglish school — Jan 2025 - Aug 2025

As a manager, my primary responsibility was acting as a point of contact between students and the school administration.
I handled inquiries from prospective students, explained enrollment terms and conditions, coordinated their onboarding with teachers, sent payment reminders, and maintained student records.
